

LET'S Cake

Decorate My Cake!

In this three hour private session you will have a great time designing and decorating a birthday or celebration cake for yourself or a loved one.

The hands-on tutorial includes:

- How to apply a crumb coat
- How to achieve sharp edges and a flawless buttercream finish using acrylic cake discs
- Choose one design concept with colors of your choice. Includes palm spears, fresh florals, chocolate drip, and a custom cake topper
 - Textured or watercolor design
 - Edible images or fondant accents
 - Stenciled buttercream
 - Kids cake themes upon request; excludes character cakes
- Cake box for transport
- Storage and cutting guide to maximize your cake servings.

Ready to create your own custom cake? Book your cake experience with us today for only \$350 and get ready to create something special!
